BUENA COMMUNITY LIBRARY WILL TEMPORARILY CLOSE AS OF JUNE 20, 2011

The Buena Community Library will close its doors on Monday June 20, 2011 to make way for the construction of a new library building and community center. The building is a project of the Friends of Buena Library, Yakima Valley Farmworkers Clinic, and United Builders.

Friends of Buena Library Vice President, Doris Miles, says, "We are so excited and can hardly believe this day has arrived." It is anticipated that the construction of the new building will be completed within 120 days. A groundbreaking ceremony is scheduled for Wednesday, June 29 at 2:00 p.m. on the current site. "Yakima Valley Libraries is very grateful for the generosity of all the people who have worked so hard to bring this project to life," said Kim Hixson, Director of YVL.

The building will be provided to the Buena community at no cost to Yakima Valley Libraries. Additional information on this Friends of the Buena Library project can be located on their web site: http://www.friendsofbuenalibrary.com/who_we_are.html. Library services will be resumed once the building project has been completed. Yakima Valley Libraries has 18 community libraries located throughout Yakima County. Locations and hours are available on the Yakima Valley Libraries' website: www.yvl.org.
